EDACC Foundation Sponsors Art and Architecture Discussion

The EDACC Foundation, the non-profit group leading development of the Edmonton Galleria, has agreed to be a founding partner and major sponsor for an Alberta Culture Days special event that will focus on exploring 'Art and Architecture as Economic Development'. According to organizer [Enterprise Edmonton](#), the intent is to challenge Edmontonians to think about art and architecture as important for creating a strong, vibrant, resilient and inclusive city. Bringing together a diversity of sectors invested in or impacted by arts and architecture, the September 26 event includes a presentation by Zita Cobb, the visionary behind Newfoundland's Fogo Island Inn, followed by a panel discussion.
